Introducing SECOND TABLE MINISTRIES

WHO WE ARE

Second Table Ministries is a non-profit service organization dedicated to helping the poorest of the poor in South Africa. We work with trusted partners in South Africa to help poverty-stricken but deserving people strengthen their ability to help themselves.

WHAT WE DO

With the help of generous friends like you, Second Table Ministries works to . . .

- Equip desperately poor black churches in South Africa to address the most urgent needs in their communities, including hunger, clean water and education.
- Encourage both white and black congregations to work together closely as a vital step toward racial reconciliation.
- Keep others informed of the needs and opportunities for service in South Africa.

HOW WE WORK

Second Table Ministries uses an innovative approach to helping people in need. We . . .

- Engender cooperation between white and black churches.
- Require a meaningful financial investment by communities that benefit.
- Insist on a sustainable outcome that continues after our involvement.
- Seek the partnership of local "champions" who can get things done.

*Thank you for helping
struggling people in
South Africa.*

it's about what you
BELIEVE ENOUGH TO DO.

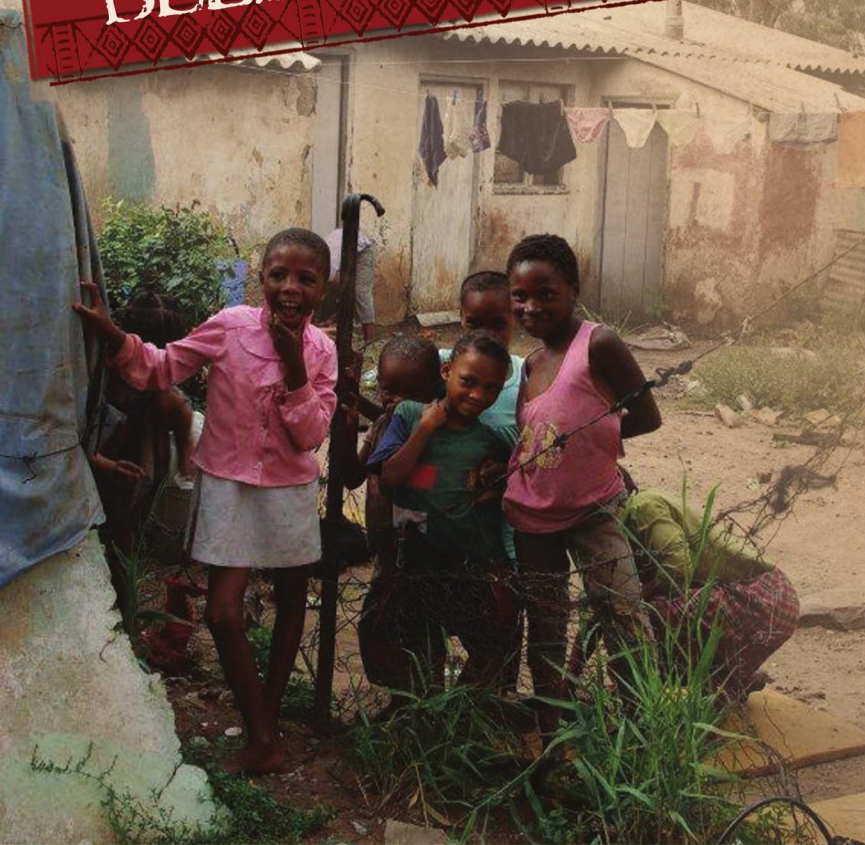

**WHAT YOU BELIEVE
DEFINES YOU.**

And if you're like most people,
you think often about what you
believe . . . and why.

That's good.

But how often do you **ACT** on
your beliefs?

It's when you act that you — and
the world — experience genuine
TRANSFORMATION.

WHAT DOES "SECOND TABLE" MEAN?

The Bible says, "Love your neighbor as yourself." Jesus calls this admonition the "second table of the law." Second Table Ministries is our attempt to respond in faith to God's expectations of His people.
